### Company

**St. Pauli Tourist Office**

### Profile

St. Pauli Tourist Office offers guided tours through the well known quarter. All our guides are locals sharing their love for the area and the people. We are providing you with history and stories at first hand: how the seamen vitalized famous Reeperbahn, the development and growth of amusement through the centuries, the history of the red light district, the influences of the harbour and the sailor men – past, present and future of one of the most vibrant quarters in the world.

### Action in Gothenburg

Nils brings St. Pauli to Gothenburg. Well, not the whole quarter, but he will be virtually taking interested people along the Reeperbahn – Hamburg's most infamous party street and probably the most famous amusement district in the world, affectionately called the 'Kiez'. He'll be sharing real-life stories, wonderful anecdotes and giving a wealth of insider tips for your next trip to St. Pauli. Authentic, unadorned and individual.
